

Quality and Safety Management Conference Held at Hiray Pharma Solutions

Mar 18, 2022

The Jingmen Branch of Hubei Provincial Drug Administration hosted the 2022 Drug Production Quality and Safety Management Conference at Hiray Pharma Solutions' lecture hall. Representatives of 16 Jingmen

pharmaceutical companies and relevant government leaders (including the Jingmen Public Security Bureau, Jingmen Bureau of Market Supervision, and the Jingmen Bureau of Economic and Information) attended the meeting.

The Jingmen Drug Administration Branch gave a report on the drug production supervision and inspection for 2021 and described the plan for the city's drug safety supervision in 2022. According to the report, all local drug companies will be required to study and implement the national and provincial drug safety action plan.

Leaders from the Sustainable Chemistry Industrial Park put forward guiding opinions and additional requirements. Representatives of three companies made statements, including Mr. K. Li, deputy general manager of Hiray Pharma Solutions. Mr. Li pledged Hiray Pharma Solutions cooperation to strictly implement the Drug Administration Law, inviting supervision from all sides to eliminate unlicensed production, protect drug safety, take on corporate social responsibility.
