

Hiray Introduces Plans for US Research Facility to Commercial Affairs

Dec. 6, 2021

Laurie Farris, Minister Counselor for Commercial Affairs for the United States Department of Commerce and Wendy Lan, US Consul General in Wuhan, China, met with leaders from international businesses, including Hiray Pharma Solutions. At this meeting, we introduced Hiray's plans for developing a research facility in the USA. We also presented the delegation with our new brochure highlighting the four pillars of Hiray's service philosophy: Reverence for Life, Safety First, Quality Always, and On-Time Delivery.
